

# CRESCENT VALLEY 2007-2008 RACE SEASON

CVSRT is responsible to the Emerald Valley League for on-hill volunteers for all race days. This is usually called “**gate keeping**”. The size of the school team and also the size of the Emerald League teams determine the number of volunteers. Each CV racer will provide a volunteer for 4 on hill races. In order to facilitate scheduling, we are asking you to indicate **5** Saturdays that you can make yourself available. You could also indicate Saturdays when 2 of you are available on the same day, which counts for 2 volunteer days. Either way, we need **5** volunteer options to work with and the name/names of the volunteers. If you volunteer as a permanent worker, this will satisfy your on-hill volunteer requirements for the year.

**ALL** volunteers are responsible for finding their own substitute. **IF A VOLUNTEER DOES NOT GET A SUBSTITUTE BY THE Wednesday before the scheduled race day or fails to show up on race day Saturday, they will be fined \$50.00 to be paid directly to CVSRT. Your racer will not be able to race until the fine is paid.**
